

# MEET THE TEACHER

## INTRODUCTION

Good Morning Friends!

My name is Jami Hofer. I will be your 5th grade science teacher this year. This year we will use the scientific method to help explain the world around you.

## ALL ABOUT ME

I grew up here in Arlington. I graduated from UTA where I received my Bachelors of History degree and my teaching certification. I taught 16 years in AISD (2nd and 3rd grade) before moving to ACA. This will be my 9th year at ACA. Mr. Hofer and I have been married for almost 23 years, and we have four daughters. We are a reptile family with a snake and four lizards. In my free time, I love to read, bake, and travel with my family. I always wanted to be a teacher, and I am excited I get to do it everyday.
